

CU Service Centers® Network is now available at selected 7-Eleven® stores that have Vcom® Units (self service branch kiosk) where you can access your credit union accounts.

How do I find these locations?

- You can visit www.cuswirl.com for a listing of these 7-Eleven stores.

What do I need to use it?

- The name of your credit union and your account number.
- A debit, credit or check card from your credit union.
- You must be an owner on the account in order to use the 7-Eleven Vcom Unit.
- PIN number if you are a returning user.

7-ELEVEN® is a registered trademark of 7-Eleven Inc.

On your next visit:

You will need the name of your credit union, your account number, your debit, credit or check card from your credit union to access your account. The system will ask you for the PIN number that you set up at your first visit to the 7-Eleven Vcom Unit.

**Thank you for visiting the 7-Eleven store
and using your credit union.**

www.CUSWIRL.com

How do I access my account?

- Select CU Service Centers® Network on the main menu of the 7-Eleven Vcom Unit.
- The screen will prompt you to enter the name of your credit union and your account number.
- You will be asked to insert your debit, credit, or check card from your credit union.
- Questions will be asked before you can access your account. This is done to ensure you are the owner of the account.
- Once all of the questions have been answered correctly, you will be asked to enter a PIN number to be used for future visits.
- Keep your PIN number in a safe place.

What will I be able to do?

- Check deposits up to 10 check items.
- Cash withdrawals up to \$500.
- Transfers within your accounts.
- Loan payment by check.
- Loan advances in cash up to \$500.
- Check account balances.
- Recent history information showing the last ten items that cleared your account.
